PRICE ESCALATION
Requests for standard contract price increases can be made once every three (3) months provided the price increase is necessary and based on an increase in the manufacturer price. OSP's due diligence regarding price change requests is to consider the reasonableness of the request and document consideration on behalf of State agencies. Increases will not be considered to increase profit or margins.
Increases must be submitted on the fifteenth (15th) day of the month prior to the change becoming effective; i.e. price change submitted August 15th, price reflected on contract September 1st. Vendor is requested to reasonably document the claims cited in their requests. Send the following documentation to request a pricing change:

Each subsequent pricing update will be saved using the naming convention of "[Vendor Name] pricing effective XX/01/XXXX."

Price escalation requests from vendors MUST be submitted in the format supplied by the contract administrator.OSP will not be responsible for manipulating the vendor's price list to match the posted contract. Any price increase request not submitted in the appropriate format will be rejected. All shipments are to be billed at prices in effect at the time of the order, not the date the shipment is made.

CANCELLATION
In the event the State no longer needs the service specified in the contract or purchase order due to program changes, changes in laws, rules, or regulations, relocation of offices, or lack of appropriated funding, the State may cancel the contract or purchase order by giving the vendor written notice of such cancellation 30 days prior to the date of cancellation.
