

NOTICE OF SERVICE OUTAGE

Please be advised that on Saturday, March 28th, **Arkansas.gov** and ALL websites, services and applications hosted by the Information Network of Arkansas will be **temporarily unavailable**. INA is coordinating with the Department of Information Systems to accommodate construction improvements to the DIS data center and will be moving our server racks during this maintenance window.

The expected service outage will begin at 7:00 am Saturday, March 28 and will conclude **no later than 10:00 pm** that evening.

Again, all websites, services, payment applications, and over-the-counter payments will be unavailable during the maintenance window.

Users visiting Arkansas.gov or Ark.org websites will see a maintenance message during the service outage.

For more information or to subscribe to updates on Arkansas.gov service status, please visit www.argovstatus.com or email status@ark.org.
