SPECIAL MAINTENANCE. The funds appropriated in Section 5 of this Act for Parks and Tourism Special Maintenance shall be expended, after receiving prior approval by the Arkansas Legislative Council or Joint Budget Committee, for a special maintenance program for the Park System. The funds provided will be used for repair and upkeep of parks and museum facilities that have been deferred due to lack of funds in the individual budgets of the parks and museums.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Department of Parks and Tourism may operate more efficiently if some flexibility is provided to the Department of Parks and Tourism authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section or the Special Maintenance line item. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section and the Special Maintenance line item in Section 5 is void.
