

AGENDA

State and Public School Life and Health Insurance Board Quality of Care Sub-Committee Meeting

March 8, 2016

1:00 p.m.

EBD Board Room – 501 Building, Suite 500

- I. *Call to OrderMargo Bushmiaer, Chairman*
- II. *Approval of January 12, 2016 Minutes.....Margo Bushmiaer, Chairman*
- III. *Continued Review of Anesthesia for Colonoscopies..... Dr. Creshelle Nash,
..... Medical Director BCBS*
- IV. *Wellness Programs Presentation. Janna Keathley, EBD Quality Assurance Officer
.....& Cecilia Walker, EBD RN*
- V. *Update of Primary Care Referral Recommendation..... Janis Harrison,
.....EBD Interim Director*
- VI. *New Business/TopicsMargo Bushmiaer, Chairman*

Upcoming Meetings

April 12, 2016

May 10, 2016

June 14, 2016

July 12, 2016

NOTE: All material for this meeting will be available by electronic means only ethel.whittaker@dfa.arkansas.gov. Notice: Silence your cell phones. Keep your personal conversations to a minimum. Observe restrictions designating areas as "Members and Staff only".

**State and Public School Life and Health Insurance
Board Quality of Care Sub-Committee
Minutes
March 8, 2016**

The State and Public School Life and Health Insurance Board, Quality of Care Committee met on March 8, 2016 at 1:00 p.m. in the EBD Board Room, 501 Woodlane, Little Rock, Arkansas.

Members Present

Margo Bushmiaer
Zinnia Clanton
Michelle Murtha
Pam Brown
Don Hollingsworth
Dr. Joseph Thompson
Robert Boyd
Dr. Namvar Zohoori
Frazier Edwards
David Bell (Proxy for Marjorie Greenberg)

Members Absent

Marjorie Greenberg
Dr. Tony Thurman
Dr. Eric Crumbaugh

Janis Harrison, EBD Interim Director, Employee Benefits Division

Others Present

Dwight Davis, David Keisner, Geri Bemberg, Arlene Chan-Monton, Jill Johnson, R. Smith, Rachael McCaleb, UAMS; Ethel Whittaker, Janna Keathley, Stella Greene, Gretchen Baggett, Andrew Carle, Cecilia Walker, EBD; Pam Lawrence, AHH; Dr. Creshelle Nash, ABCBS; Marc Watts, ASEA; Steve Althoff, MTI; Kristi Jackson, ComPsych; Takisha Sanders, Jessica Akins, M. Carls, Health Advantage; Karyn Langley, Qual Choice; Ronda Walthall, Wayne Whitley, AHTD, Sean Seago, Merck; Andy Davis, Arkansas Democrat Gazette; Sean Sbago, Merck; Leah Ramirez, ACHI; Robyn Keene, AAEA; Martha Hill, Mike Motley

CALL TO ORDER

The meeting was called to order by Margo Bushmiaer, Chair

APPROVAL OF MINUTES: *By: Margo Bushmiaer, Chair*

Bushmiaer requested approval of the January 12, 2016 minutes. Edwards motioned for approval of the minutes. Brown seconded. All were in favor.

Minutes Approved.

CONTINUED REVIEW OF ANESTHESIA FOR COLONOSCOPIES:

By: Dr. Creshelle Nash, Medical Director, Blue Cross and Blue Shield

Today's discussion is a continuation from previous meetings. Standard of care is considered conscious sedation for colonoscopies. In today's industry a vast number of clinics automatically administer propofol for anesthesia and the cost is passed on to the member. The plan will cover propofol only if it's medically necessary, which must be verified by clinical documentation. The goal is to balance standard of care with the cost not allocated to the members. Currently, all screening colonoscopy claims with general anesthesia are denied until reviewed by Health Advantage for medical necessity.

Dr. Nash reported BCBS can receive related claims depending on services rendered; (1) Facility Charge, (2) Anesthesia Charge, and (3) Physician Charge.

Dr. Nash reported updated information regarding the physician numbers by city and their respective amount and percentage of general anesthesia use for screening colonoscopies.

Murtha has concerns if the propofol is administered by a qualified CRNA or Anesthesiologist separate from the attending physician. Dr. Nash reported yes there is a CRNA or Anesthesiologist attending the patient.

Discussion was held and it was expressed that physicians are able to see more patients when using propofol; thereby, allowing quicker access to be seen by a physician. Hollingsworth expressed concern that a member might have to wait up to six (6) weeks for a colonoscopy if they were experiencing concerning symptoms. It was explained that the six (6) week time period only applies to screening colonoscopies and that patients have symptoms, they should be seen more quickly.

A representative from BCBS reported most new GI physicians are only trained to use propofol. They receive no training on conscious sedation.

After detailed discussion the committee requested literature from UAMS regarding their training program. In addition, the committee requested data regarding conscious sedation versus propofol. The data is to be presented at the next meeting.

WELLNESS REQUIREMENTS 2016: *By: Janna Keathley, EBD Quality Assurance Officer, Cecilia Walker, Nurse Supervisor*

Keathley reported information was collected from UAMS, AFMC, Nabholtz, Children's Hospital, and Windstream. There are differences and similarities with the programs. Some similarities are they all require a health assessment and a

Biometric screening. There are multiple locations available for the screenings. Several have incorporated activities within their wellness programs. The Biometric screening includes: checking blood pressure, lipids, cholesterol, Body Mass Index (BMI) with weight circumference, and glucose. On-site and physician screening is also available. Penalties and incentives are incorporated in the programs. One organization reported they have found gift cards to be the most successful incentive.

The following outlines the goals for the EBD wellness program:

- Establish a wellness program in the true sense of the word;
- Establish a standard that is entrenched in our membership so they have an expectation of completing wellness requirements annually;
- Move toward increased membership engagement in the wellness activities in years to come;
- Move toward measurable outcomes in the years to come.

Due to the current legislation in process regarding wellness programs, Dr. Thompson recommended a representative from Medicaid provide data as well.

UPDATE OF PRIMARY CARE PHYSICIAN ASSIGNMENT: *By: Janis Harrison, EBD Interim Director*

Harrison reported the Board met February 16th and adopted the Primary Care Physician Program, previously recommended by the Quality of Care Committee. Health Advantage has begun the process by providing letters to EBD for review regarding the members and spouses. Upon approval by EBD, the appropriate letters will be mailed to the members by Health Advantage.

NEW BUSINESS TOPICS: *By: Margo Bushmiaer, Chair*

There were no new business topics for discussion

ASE/PSE Report

Anesthesia for Lower Endoscopic Procedures

Creshelle R. Nash, MD, MPH
Medical Director, Arkansas Blue Cross and Blue Shield

March 8th, 2016

ARKANSAS BLUE CROSS and **BLUE SHIELD**

An Independent Licensee of the Blue Cross and Blue Shield Association

- The American Society for Gastrointestinal Endoscopy states that:

“The routine assistance of an anesthesiologist for average risk patients undergoing standard upper and lower endoscopic procedures is not warranted”

However general anesthesia is recommended in:

- Patients with more extensive GI endoscopy procedures (e.g., ERCP);
- Patients with complicated co-morbid medical conditions;
- Patients who cannot tolerate conscious sedation; and
- Patients with an increased risk for airway obstruction due to an anatomic variant.

- **Who are the physicians using general anesthesia for screening colonoscopy?**
- **What are their rates of use by location?**

- **Claims data from 1-1-2015 to 12-31-15**
 - ABCBS can receive related claims depending on services rendered
 - Facility Charge
 - Anesthesia Charge
 - Physician Charge
- We queried for all claims for screening colonoscopy in any claim field and associated services without exclusion
- Overall, we estimate that the anesthesia rate for screening colonoscopy by providers is **45%**
 - The Quality subcommittee has received detailed information on anesthesia rates

- Pending Claims
- Prior Authorization for general anesthesia for screening colonoscopy
- Educational Efforts- at multiple levels
 - Member
 - Provider
 - Facility

Thank You

**Providers total colonoscopy with and without anesthesia
 Diagnosis (any field, primary, 2nd, 3rd, etc was routine)
 DOS 01/01/2015 - 12/31/2015**
