---

### Transaction ZGFOA\_COMP: Selections Before ALV Grid Control Program Changes

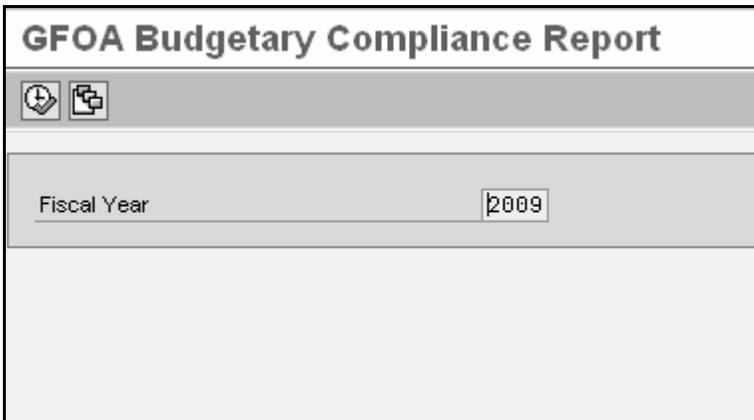

This transaction provided a “Create formatted file?” file option before executing the report.

The screenshot shows the 'GFOA Budgetary Compliance Report' selection screen. At the top, there are two icons: a refresh icon and a print icon. Below them is a 'Fiscal Year' field with the value '2009'. A black arrow points to a section titled 'Create Output in a Delimited Format.' which contains a checkbox labeled 'Create Delimited Output' that is currently unchecked.

### Transaction ZGFOA\_COMP: Selections after ALV Grid Control Program Changes

The “Create formatted file?” option has been removed. Users can download the report data as a formatted file after executing the report.

The screenshot shows the 'GFOA Budgetary Compliance Report' selection screen after the changes. It features the same 'Fiscal Year' field with the value '2009' and the refresh and print icons at the top. However, the 'Create Output in a Delimited Format.' section and its checkbox are no longer present.
