

PA40: Personnel Actions

Veteran Status Message & EEO Exempt Field Change

Before the upgrade, Additional Personal Data (Infotype 0077) could be saved after specifying Ethnic origin.

1. Before the upgrade, the EEO Exempt field displays as "EEO Exempt."

The screenshot shows a web-based form titled "Create Additional Personal Data". At the top, there is a menu bar with "Infotype", "Edit", "Goto", "Extras", "System", and "Help". Below the menu is a toolbar with various icons. The main content area contains a table with the following data:

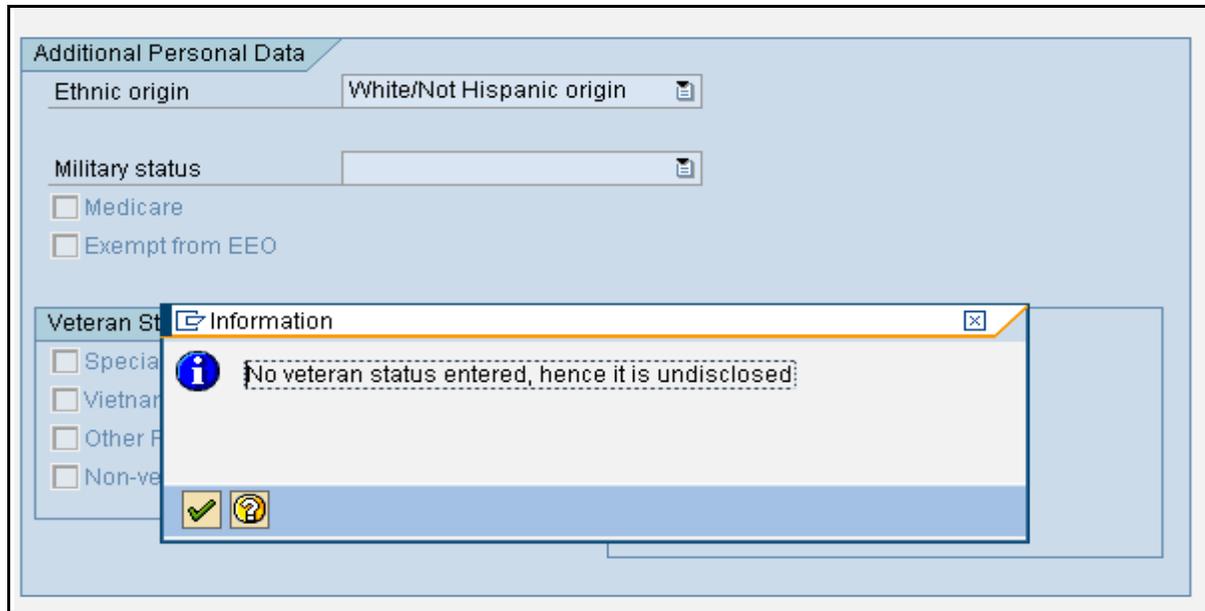

| Personnel No | Name | ECC | Tes | Status | Active |
|--------------|-----------------------|--------------|-------------|--------|--------|
| 71450 | | | | | |
| EE group | 1 Regular State Em... | Personnel ar | FA03 | DFA | |
| EE subgroup | UE Employee | SSN | 886-54-9732 | | |
| Start | 12/14/2008 | To | 12/31/9999 | | |

Below the table is the "Additional Personal Data" section. It includes a dropdown menu for "Ethnic origin" with the value "Black/Not Hispanic origin". There are checkboxes for "Military status", "Medicare", and "EEO Exempt". The "EEO Exempt" checkbox is highlighted with a red box. Below this are two columns of checkboxes: "Veteran Status" (Special disabled veteran, Vietnam-era veteran, Other veteran, Non-veteran) and "Disability" (Disability, Disability Date, Date Learned). At the bottom left, there is a "Save your entries" button.

2. After Upgrade this Additional Personal Data field is renamed as this:

The screenshot shows the updated "Additional Personal Data" form. The "Ethnic origin" dropdown now displays "White/Not Hispanic origin". The "Military status" dropdown is empty. The "Medicare" checkbox is present. The "Exempt from EEO" checkbox is highlighted with a red box. The "Veteran Status" section now includes "Other Protected Veteran" instead of "Other veteran". The "Disability" section remains the same.

3. With the upgrade, a new message “No veteran status entered, hence it is undisclosed” displays after saving. The message does not require a user to make additional entries. **Note:** This dialog box will appear if the military status field was completed and the veteran status was not; therefore, information must be entered for both the Military Status and the Veteran Status.

The screenshot shows a web form titled "Additional Personal Data" with several fields and checkboxes. An information dialog box is overlaid on the form, displaying the message: "No veteran status entered, hence it is undisclosed:". The dialog box has a title bar that says "Information" and a close button. At the bottom of the dialog box, there are two icons: a green checkmark and a yellow question mark.
