ARKANSAS DEPARTMENT OF FINANCE & ADMINISTRATION - OFFICE OF INTERGOVERNMENTAL SERVICES
STATE CLEARINGHOUSE 2011

Item #	Date of Application	State Agency	Project Description	Area of Impact	Federal Funding Agency	Funding Amounts						
(1)	05-26-2011	Arkansas Department of Human Services/ADAP	The state of Arkansas will enhance infrastructure through systems alignment and workforce training. The Arkansas Strategic Prevention Framework State Prevention Enhancement Grant (SPFSPE) project will enhance the state prevention infrastructure by bringing together State agency policy makers, health care providers, and public health personnel to be trained on the use of the Strategic Prevention Framework (SPF) planning process for planning future efforts. This will provide a means of further aligning systems to prepare for future prevention needs in the culture of the new health care reform. A goal of this project is to align the State prevention infrastructure through state agencies, health care, and public health, which will be measured by future projects utilizing braided funding and joint efforts.
