See Attachment A for awarded contractors and contract Terms and Conditions.

4. CONTRACT TERM

The contract term for the contract is April 30, 2010 through December 31, 2012. In addition, the contract allows for two (2) one (1) year extensions.

5. GUIDELINES/RULES

- a. Ordering state agencies must follow all applicable state mandated guidelines, e.g., State Administrative Manual, Management Memos, Agency Directives, State Contracting Manual, Volume 2 (SCM 2) and California Codes.
- b. State and local government agency use of this Master Price Agreement is optional.
- c. It is highly recommended that State agencies/users receive three offers before purchasing from this contract. Web quotes are acceptable. If purchasing other than low price, it is recommended that a written justification be added to the file to substantiate "best value" decision.

6. DOLLAR THRESHHOLDS (Local Governments are Exempt)

- Master Price Agreement Program Limitation: \$500,000.
- All orders are subject to most current Management Memo (Currently MM 08-05), or whichever Management Memo is in effect at the time a purchase order is issued.
- Agencies are reminded that prices offered through this MPA are not to exceed dollar limits. Companies may offer lower pricing depending on the order.

Go to the DGS website www.dgs.ca.gov and click on "Publications", SAM management memos to obtain a copy of the most current management memo (currently MM 08-05 including supplements). Exempt entities are not subject to these order limits.

7. PRICING

Agencies should contact the contractor to see if there is a large quantity discount available. Please contact the contractor for additional information. See Attachment B for pricing.

8. METHODS OF PURCHASING

a. CAL-Card

All vendors on this Master Purchase Agreement will accept payment by CAL Card. When using a CAL Card, State agencies must follow the Cal Card rules and guidelines of use. If using Cal Card, please refer to your department's Cal Card Guidelines. STD. 65's are not required for every CAL-Card purchase (see SB 828 broadcast dated march 13, 2006 for guidelines of requirements for STD. 65 purchases when using CAL-Card).

b. Purchasing Authority Purchase Order (STD. 65)

If using a STD. 65 for purchases:

- **THE MASTER PRICE AGREEMENT CONTRACT NUMBER MUST BE SHOWN ON THE PURCHASE ORDER.**
- Local governments may, in lieu of the State's Purchase Order (STD. 65), use their own purchase order document.
- Electronic copies of the State standard forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). Direct link to the STD. 65: <http://www.documents.dgs.ca.gov/osp/pdf/std065.pdf>
- The ordering agency defines the project scope to determine which goods and related services are needed, and check the electronic catalog for pricing. Then the ordering state agency completes a purchase order including all pertinent information for each individual order issued against the Agreement and sends the STD. 65 to the selected Contractor. NOTE: CAL-Card (procurement card; i.e. visa) orders are also accepted.
- As a hard copy catalog is not available, you must print a copy of the e-quote from your order and retain this in your files. It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

9. ON-LINE ORDERING

Each supplier has a special website for this contract that reflects its discounts. Each website is password protected. Please see attachment A for website details.

10. PURCHASE ORDER DISTRIBUTION

For state agencies, copies of the STD. 65 do not have to be submitted to DGS. The State will be capturing all purchases from this contract with a highly detailed quarterly usage report from each supplier. In addition, the supplier will remit 1% of all spend to DGS. DGS does not collect fees from State agencies.

11. PAYMENTS AND INVOICES

a. Payment Terms

See Master Price Agreement Contract Information (Attachment A) for Payment Terms.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

Local government agencies may make payments according to their statutory requirements.

b. Payee Data Record (STD. 204)

Each state accounting office must have a copy of the Payee Data Record (STD. 204) in order to process payment of invoices. Agencies should forward a copy of the STD. 204 to their accounting office(s). Without the STD. 204, payment may be unnecessarily delayed.

12. TERMINATION

Any State or Local agency may terminate any order against this agreement upon 30 days notice provided the products or services have not already been accepted. This does not affect the termination clause of the Master Price Agreement concerning failure to perform or upon mutual consent.

13. DGS ADMINISTRATIVE FEE

The agency will not be charged the DGS Administrative fee and agencies will not be invoiced by the contractor for the use of this contract.

14. SMALL BUSINESS/DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PARTICIPATION
