

Wireless Expense Management

Vendor: iSYS LLC

Contract#: 4600031891/MA-190

Material Group#: 10023900

Vendor #: 100209009

Vendor Contact: Paula Hoppe, 310-877-539, pmhoppe@isysllc.com

OSP Contact: Kim Fairchild, 501-671-1476, Kimberly.fairchild@dfa.arkansas.gov

Contract Scope:

The scope of this procurement includes: providing Contract Compliance/Cost Recovery (Invoice Audits) and Optimization/Right Sizing Plans (Accounts) as part of a comprehensive wireless management tool for cell phones including data services.

This contract will include management services including but not limited to review of overcharges on existing phone bills (in the past 3 months), right sizing evaluation processes, and collection or correction of any discrepancies, as well as auditing services for cellular phone contracts with individual states upon request from either party.

Pricing:

The high-level assessment is risk-free and cost-free.

The continuing management price of telecom assets and services by this vendor is to be determined.
