Updated 08/20/15

Introduction

The Office of State Procurement (OSP) has compiled a Qualified Vendors List for service providers who are capable and willing to provide reentry facility and services for the Arkansas Department of Community Correction (ACC). The Request for Qualifications is open-ended. Providers may submit their qualifications to the OSP at any time during the list period or an authorized extension.

List Updates

The original list shall be through June 30, 2016. The list shall be reviewed annually and upon mutual agreement may be reissued for six (6) one (1) year periods or a portion thereof.

Purpose

The purpose of this document is to create a list of qualified vendors capable of providing Arkansas Based Reentry Facility Services. The facility **must** provide supervision, housing and evidence based programs (EBP) and services directed at addressing criminogenic risk factors and aimed at reducing recidivism among the target population.

Payment & Invoicing

Payment will be made in accordance with applicable State of Arkansas accounting procedures upon acceptance by the agency.

The State **shall not** be invoiced in advance of delivery and acceptance of any goods or services.

Payment will be made only after the vendor has successfully satisfied the agency as to the reliability and effectiveness of the goods or services purchased as a whole.

The vendor should invoice the agency by an itemized list of charges. The agency's Purchase Order Number and/or the Contract Number should be referenced on each invoice.

Selected vendor **must** be registered to receive payment and future *Bid Solicitation* notifications. Vendors may register on-line at <https://www.ark.org/vendor/index.html>.
