**INSTRUCTIONS FOR OBTAINING A DEPARTMENT OF PARKS AND TOURISM LICENSE PLATE**

RESTRICTIONS – Issuance of Department of Parks and Tourism license plates is restricted to passenger cars, all ½ ton and ¾ ton trucks, and 1 ton trucks used for private transportation only. One (1) ton trucks used for commercial purposes must be registered with a commercial license.

In addition to normal annual registration fees, there are additional **annual** fees in the amounts of ten dollars (\$10.00) for handling and administrative costs, and twenty-five dollars (\$25.00) special fee for the Department of Parks and Tourism plate.

**OBTAINING A DEPARTMENT OF PARKS AND TOURISM PLATE FOR A VEHICLE ALREADY TITLED AND REGISTERED TO THE APPLICANT**

REQUIREMENTS – Two options are available when obtaining a Department of Parks and Tourism plate when the vehicle is already titled and registered in the applicant’s name.

**Option 1** – If the applicant’s existing plate is current, it may be replaced with a Department of Parks and Tourism plate. With this option, the Department of Parks and Tourism plate will keep the same expiration date as the plate being replaced. Applicants will get the entire benefit of the full year registration fee paid for the plate being replaced. However, since the expiration date will remain the same, they will not get a full year’s benefit of the \$25.00 or \$10.00 special fees. When renewing, the applicant will be required to pay both additional fees again.

Fees for obtaining the plate using option 1 are as follows:

Special fee for Department of Parks and Tourism.....	\$25.00
Fee for replacement of the regular tag.....	\$ 1.00
Special fee for administrative costs.....	\$ 10.00
Postage fee (if the transaction is done by mail).....	\$ 1.39 or if in person .39 cents
Total Fees (if the transaction is done by mail).....	\$ 37.39 or if in person 36.39

**Other requirements are:**

- Completed request for Department of Parks and Tourism License Plate

**Option 2** – The applicant may request to pay the normal full year registration fee for the vehicle and start the Department of Parks and Tourism plate with a full year’s registration. With this option, the applicant will get full benefit of the \$25.00 and \$10.00 additional fees. However, no credit will be given for the time remaining on the plate being replaced.

Fees for obtaining the plate using option 2 are as follows:

The full year registration fee normally due for the vehicle. For passenger cars, this fee will be \$17.00, \$25.00, or \$30.00 depending on the vehicle’s unladen weight. For qualifying pickups (see restrictions) the full year fee is \$21.00.

Special fee for Department of Parks and Tourism	\$25.00
Validation decal fee is	\$2.50
Special fee for administrative costs is	\$10.00
Postage fee if the transaction is done by mail is	\$1.39
Postage fee if the transaction is done in person in the Special License Unit is	.39 cents.
Total fees depend on the normal registration fee for the vehicle and postage fees.	

**Other requirements are:**

- Completed Request for Department of Parks and Tourism License Plate.
- Proof of current liability insurance.
- If the applicant’s existing license plate is expired, or will expire in the **current calendar year**, the following personal property tax information is required
  - o Proof of personal property assessment for the current year
  - o Proof of personal property tax payment of taxes due by October 15 of the previous year.

If the applicant’s existing license plate will expire the **next calendar year**, proof of personal property assessment and tax payment are not required.

**OBTAINING A DEPARTMENT OF PARKS AND TOURSIM PLATE FOR A NEWLY PURCHASED VEHICLE**

**If obtaining a Department of Parks and Tourism plate is for a newly purchased vehicle, all normal documentation for title and registration is required. Applicants should contact their local Revenue Office for assistance.**
