REQUEST FOR EARLY DELIVERY OF PRODUCT

Beginning October 2, 2017 and ending December 30, 2017, applicants for Grocery Store Wine Permits may receive delivery of wine products from Arkansas wholesalers if the following criteria are met:

- The applicant currently holds an Arkansas Small Farm Wine Retail Permit from the Arkansas ABC.
- The applicant has submitted an acceptable application for a Grocery Store Wine Permit to the Arkansas ABC.
- The applicant’s existing point of sale system is capable of “locking” certain inventory, so that it may not be sold in the store.
- The applicant is able to shield any products authorized to be sold under a Grocery Store Wine Permit from public access or view until such time as the Grocery Store Wine Permit is issued to the applicant.
- Failure by any applicant to adhere to the “locking” of received inventory or failure by any applicant to prevent access to the product or view of the product until the Grocery Store Wine permit is issued may result in the denial of the permit application.
- Applicants wishing to obtain early delivery of product shall complete the certification below and submit it to the ABC. The ABC will verify the applicant is an existing Small Farm Wine Retail Permittee and that an application has been received for the Grocery Store Wine permit. If the request is approved, applicants will be given a copy of the approved request, and the original shall remain on file with the ABC.

I, _____, hereby certify that _____,

of “locking” items in inventory from being sold at certain times. I further certify that this business is capable of restricting public view and access to any items authorized to be sold under a Grocery Store Wine Permit until such time as a permit is issued to the business.

For these reasons, I am requesting the ability to order and receive delivery of products authorized to be sold pursuant to a Grocery Store Wine Permit. I agree that upon receipt of the products, they will be “locked” in the point of sale system so that they may not be sold, and they will be shielded from public access and view until a permit is issued. I understand that failure to comply with the criteria set forth above may result in the denial of my application for a Grocery Store Wine Permit.
