YEAR END ENTRIES

PERIOD 13 ENTRIES

- Use period 13 to record entries to adjust accounts to proper 6/30 balances for the modified-accrual basis of accounting. All funds should remain on the modified-accrual basis.
- Post period 13 entries into the proper Fund using your appropriate cost center and if applicable WBS Element / Internal Order.

Bond, Loan and Note:

- An example of when a closing book entry would be needed is **if the note payments had inadvertently been recorded as a debit to rent expense** and a credit to cash in treasury.

In this scenario, the closing book entry to reclassify the note payments would be as follows in period 13:

Debit account **5120001200** Debt Service Principal
(For the principal portion of the payment)
Debit account **5120002100** Debt Service Interest
(For the interest portion of the payment)
Credit account **5040011000** Other Rent & Leases
(For the total amount of the payment)

PLEASE NOTE: Do not make any adjustments to cash in bank or cash in treasury if recorded properly.

- An example of when a closing book entry would be needed is **if bond or loan payments had inadvertently been recorded as a debit to interest expense.**

In this scenario, the closing book entry to reclassify interest payments would be as follows in period 13:

Debit account **5120001200** Debt Service Principal
Credit account **5120002100** Debt Service Interest
(For the principal portion of the payment)

PERIOD 15 ENTRIES

- Use period 15 to record entries to reclassify accounts to full-accrual per GASB 34.
- These entries should be entered into full-accrual Fund (7006101).
- This fund is shared by all agencies.
- Each agency has a cost center assigned to this fund. If you need your agency's period 15 cost center, contact the Department of Finance and Administration-Office of Accounting-CAFR Section (DFA-OA-CAFR Section).
