The Chancellor lives off campus and is on duty continuously 24/7 except when on vacation. He must respond to campus concerns at any time and also is on call to respond to University officials, government officials and any other summons regarding the University. The Chancellor utilizes the family car for extended personal activities. Also, an income tax is estimated and paid to cover any inadvertent personal use. This vehicle is from the University of Arkansas at Pine Bluff motor pool. If it were returned to the motor pool, it would greatly impede the Chancellor's ability to respond to official duties.
