AGENCY PROGRAM COMMENTARY
1999 - 2001**

AUDITOR OF STATE

Listed below are the main points of our proposed budget request for the 1999-2001 biennium:

1. Salaries: We are requesting more than a 2.8% increase in some positions but less than a 2.8% increase in other positions, and proposing a deletion of position 12. This will result in an overall decrease of .06% in salaries for the first year of the biennium. For the second year of the biennium, we are requesting an increase of 2.8% of the first year request.
2. We have made title changes in some positions to reflect titles more in line with job responsibilities.
3. Extra help is to remain constant.
4. Personal Services Matching is calculated to offset the salary requests.
5. Maintenance and Operations is to remain constant.
6. There is no change in the request for the Bankhead-Jones and Federal Turnback for Roads. They will remain constant. As in the past, if the federal funding is not forthcoming, the appropriation will be deferred.
7. County and Circuit Clerks Continuing Education Board appropriation is to remain constant.
8. County Treasurers Continuing Education Board appropriation is to remain constant.
9. County Collectors Continuing Education Board appropriation is to remain constant.
