The Division of Child Care and Early Childhood Education is authorized to develop and implement necessary rules and regulations to receive, review, and approve applications for loan deficiency guarantee assistance. Revision of a loan guarantee may be approved when it becomes necessary to ensure adequate child care financing is available. Loan guarantees should be given the following considerations: geographic distribution, community need, community income, with priority given to those communities with the lowest median family income, proof of viable administrative and financial management, and intended licensure of the facility. The Division is required to report the status of the Loan Guarantee Fund to the Legislative Council each October.

Ark. Code Ann. § 20-78-503 created and designated the Arkansas Child Care Facilities Loan Guarantee Fund as a Cash Fund Account with initial funds derived from interest income on the investment of state funds. Funds are authorized in \$100,000 annual increments up to a balance of \$350,000. The State Treasurer can replenish the fund when the balance reaches or falls below \$100,000. The Agency is authorized to accept moneys for the Fund from any source in addition to the allocations from the State Treasurer. Interest that has accrued during a fiscal year that is not required to cover loan defaults occurring that fiscal year is made available for non-refundable grants to child care facilities for start-up, development, training scholarships, or expansion.

Funds are transferred to the Grants Paying Appropriation if there are to be any expenses. Payments are only made if a provider defaults on a loan that the division has signed as a guarantor.

Expenditure of appropriation is contingent upon available funding.

Continuing level of appropriation is the FY2023 Authorized.

The Division is requesting to continue appropriation in the amount of \$36,786 in both years of the biennium.

The Executive Recommendation provides for the Agency Request.

Appropriation: 930 - Cty-Commodity Distrib & Salvage Container

Funding Sources: NHS - Cash in Treasury

This appropriation was transferred from the Division of County Operations (DCO) for the Commodity Distribution and Salvage Container Program in the 2019-2021 Biennium.
