LEGISLATIVE INTENT. It is the intent of the General Assembly, in the transition to a state-funded deputy prosecuting attorney system, to provide an appropriate and adequate level of legal representation through deputy prosecuting attorneys in all areas of the state. It is recognized by the General Assembly that in many areas of the state, resources have not been available to support deputy prosecuting attorney salaries at the necessary level. With the transition of local funding of deputy prosecuting attorney salaries to state funding, it is not the intent of the General Assembly to adversely affect those districts whose system has been working well or to implement a system which is too inflexible to respond to the needs of each judicial district. Therefore, the Prosecution Coordination Commission is charged with the responsibility of assisting in the maintenance of a system which equitably serves all areas of the state by providing quality deputy prosecuting attorneys.

The provisions of this section shall be in effect only from July 1,  $\frac{2016}{2017}$  through June 30,  $\frac{2017}{2018}$ .
