TRANSFER OF FUNDS. Building Authority Division is hereby authorized, after seeking the approval of the Chief Fiscal Officer of the State and the Arkansas Legislative Council or Joint Budget Committee to request transfer from the appropriation made in the Building Maintenance Section for Building Maintenance to the Acquisition and Maintenance appropriation in the Acquisition and Maintenance Section and to receive from another state agency that seeks like approvals its authority, appropriation and the transfer of funds to be deposited into the Building Authority Division Real Estate Fund to become part of the Acquisition and Maintenance appropriation, and to be used for any purposes as set forth by law for said Real Estate Fund.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that Building Authority Division may operate more efficiently if some flexibility is provided to Building Authority Division authorizing broad powers under this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the

TRANSFER TO FACILITIES MANAGEMENT CONTINGENCY APPROPRIATION AUTHORITY. (a) In order to provide a more cost effective method to address the emerging infrastructure needs of Arkansas State Government, appropriations and funds transferred to the Facilities Management Contingency Appropriation are to be used in the event that the Building Authority Division executes one or more building contracts or maintenance agreements with State Agencies, and the appropriations or funds otherwise provided for the Building Authority Division are not sufficient to address those needs, and it is more cost effective for Building Authority Division to execute these services. Any State Agency may transfer or deposit funds and appropriations to Building Authority Division - Facilities Management Contingency Appropriation authorized in the Building Maintenance Section of this Act to execute one or more building contracts or maintenance agreements with said State Agencies. Building Authority Division shall provide justification to the Chief Fiscal Officer of the State for the need of such appropriations and funds transfers and seek and receive approval of the Chief Fiscal Officer of the State. Building Authority Division shall then seek and receive the approval of the Arkansas Legislative Council or Joint Budget Committee.
