OCSE MyCase

The Arkansas Office of Child Support Enforcement's MyCase website allows parents with an active child support case to:

- View and make payments online
- Print payment information
- View recent case activity
- Update contact information
- Electronically correspond with your child support caseworker
- ...and more

Electronic Deposit

We offer two convenient ways for custodial parties to electronically receive child support payments:

ReliaCard

- No requirements to receive payments using the ReliaCard
- It's a prepaid card, not a credit card
- There is no bank account or credit check required
- Your payments are loaded directly on the card, and you can use the card just as you would a debit card.

Direct Deposit

The only requirement for direct deposit is to have an open checking or savings account in the name of the custodial party. Check with your bank to see what to expect for availability of your payments once they reach the bank.

For more information on OCSE MyCase or Electronic Deposit, visit www.childsupport.arkansas.gov or call the Arkansas Child Support Clearinghouse at 501-683-7911 or 866-428-8382.
