MEMORANDUM

To: Arkansas Law Enforcement Agencies and Carriers

From: Larry Walther, Director DFA

Subject: Waiver of IRP and IFTA Requirements Due to Hurricane Michael

Date: October 11, 2018

The Arkansas Department of Finance and Administration understands that due to a State of Emergency Declaration in Florida it is necessary to expedite relief efforts. Due to the overwhelming damage caused by Hurricane Michael, the Arkansas Department of Finance and Administration is granting a temporary waiver of requirements associated with the International Registration Plan (IRP) and International Fuel Tax Agreement (IFTA) for any motor vehicle traveling through Arkansas that is engaged in disaster relief efforts.

This waiver does not allow any vehicle to operate in the state without valid registration and insurance as required. Carriers must maintain all normal requirements that fall outside of IRP and IFTA.

This waiver is effective immediately (October 11, 2018) through 11:59 p.m. on November 9, 2018.

For additional information, please contact the Office of Motor Vehicle at 501-682-4651.
