**DFA provides additional day to file and pay Arkansas Income Tax through Wednesday, April 18; IRS processing systems back online**

**LITTLE ROCK, Arkansas (April 18, 2018)** - Larry Walther, Director of the Arkansas Department of Finance and Administration, has announced the department is providing Arkansas taxpayers an additional day to file and pay their Arkansas Individual Income Taxes following Internal Revenue Service system issues that surfaced on April 17. Taxpayers with a filing or payment due date of April 17 will now have until midnight on Wednesday, April 18. Taxpayers do not need to do anything to receive this extra time.

Throughout the IRS system outage, taxpayers were still able to file their federal tax returns electronically through their software providers and Free File. Taxpayers filing federal paper returns were not affected by the IRS system issue. DFA understands that the IRS system issues have been resolved, and DFA systems were not affected.
