Partnership Income Tax Instructions

Reminders:

Partnerships and LLCs File Same as Federal (Act 965 of 2003)

This act adopts the federal “check the box” regulations and requires partnerships and LLCs to file in the same manner in which the entity files and pays federal income tax.

Section 179 Depreciation (Act 372 of 2009)

Arkansas has adopted section 179 of the Internal Revenue Code of 1986, **as in effect on January 1, 2009**, regarding depreciation and expensing of property for the purpose of computing Arkansas income tax liability.

You can find more information about Arkansas tax code by visiting the Department of Finance and Administration web site at www.arkansas.gov/dfa/.

Act 1283 of 1999. Under this act, income attributable to an Investment Partnership’s qualifying investment securities would not be taxed if distributed to a nonresident partner. “Investment Partnership” is defined as a partnership with at least 90% of its assets comprised of investment securities plus office equipment. Only income derived from dividends, interest and gains would be excluded from a nonresident partner’s income. The provisions of this act do not apply to income derived from investment activity that is interrelated with any trade or business activity of the nonresident or an Arkansas entity in which the nonresident owns an interest.
