Dear Law Enforcement Agencies

RE: EUDL Block Grant Program

The purpose of this letter is to communicate the status of funds allocated to the Office of Juvenile Justice and Delinquency Prevention (OJJDP) for the Enforcing the Underage Drinking Laws (EUDL) Program.

Since 1998, OJJDP has been appropriated \$25 million to support EUDL efforts. These funds have supported annual block grants ranging from \$300,000 to \$360,000 for each State, as well as for the Territories for the past several years. This accounted for approximately \$19 million of each of our past appropriations, with the remaining funds supporting training and technical assistance, as well as some discretionary efforts.

However, due to fiscal constraints, discretionary EUDL funds will not be available to support future block grant programs. Accordingly, DFA will not post a request for applications. We will notify if there are further changes.

Should you have any questions please contact Parunta Brown @ 501-682-3766 or Parunta.Brown@dfa.arkansas.gov

Sincerely

Shelley Hamilton-Wray
Assistant Administrator
