D. Dispensaries change of location

#029 NEA Full Spectrum Medicine, LLC - Gerald Sale Clay CO. - Zone 2

Jonesboro 5th largest city and Paragould growing together

Clay county 2 1/2 points rural area distressed area looking at scores we were 6, 7 and 9 ahead of the next in line, I think there were three tied behind us we are in Zone 3, and we actually found a piece of property and have a contract on it , 3 ½ miles north of Truman AR about 37 miles south of our first location this would be serving the patients better as there are 3 locations in West Memphis and there is such a gap in there the patients would be on the road a lot it could be a safety issue most people go to Jonesboro and Paragould to go to the Doctor anyway

A motion to accept this move by Capt. Keven Russell, Justin Smith seconded, carried 4-0

#040 Fiddlers Green - Lisa Murphy Zone 2

Asking to move about 8 miles from the original location, reason we want to move is that location is 9 miles from town we are in Mountain View another reason the internet is not available the new location has no issues

A motion to accept this move by Capt. Keven Russell, Justin Smith seconded, carried 4-0
