

**STATE OF ARKANSAS MOTOR VEHICLE DEALER INFORMATION SHEET
FOR DEMONSTRATION, LOAN, TRANSPORTING, OR MECHANICAL TEST DRIVE OF A MOTOR VEHICLE**

This form may be recopied, reprinted, computer printed, etc. as long as it is not altered from its original language and format.

This form is authorized under A.C.A. 27-14-1706(d)(2) and Motor Vehicle Rule 2005-7 for use by licensed dealers. It serves as verification by the dealer that the vehicle is being driven by the person named herein with the dealer's permission. It is to be kept in a vehicle being operated for the purposes listed below. Dealer, check the box opposite the purpose for which you are authorizing use of the vehicle:

- Demonstration to a prospective buyer, not to exceed seventy-two (72) hours;
- Vehicle loaned to dealer's customer while repairs are being made to the customer's motor vehicle, not to exceed fourteen (14) days;
- Transporting motor vehicle, not to exceed seventy-two (72) hours.
- Test Drive to check mechanical condition or transport for repairs, not to exceed seventy-two (72) hours.

Name of Dealership			Master Tag Number
Vehicle Year	Vehicle Make	Vehicle Model	Vehicle Identification Number (Last Six Characters)
Name of Prospective Buyer, Customer, or Person Authorized to Transport Vehicle			
Address			
City, State, Zip			

I hereby certify I have authorized use of the vehicle above for the purpose indicated above:

Signature of Dealership Owner or Authorized Employee of Dealership	Date and Time of Issuance of Information Sheet

The top portion of this form is to be kept in the vehicle while it is being operated for the purposes listed. The dealer may complete the top section only and copy it or computer-print a second copy to be kept at the dealership. If the dealer does not have a computer or copy machine, both portions may be completed and the bottom portion detached to be kept at the dealership. The box opposite the purpose should be checked to indicate the purpose for which the dealer is authorizing use of the vehicle:

- Demonstration to a prospective buyer, not to exceed seventy-two (72) hours;
- Vehicle loaned to customer while repairs are being made to the customer's motor vehicle, not to exceed fourteen (14) days;
- Transporting a motor vehicle, not to exceed seventy two (72) hours.
- Test Drive to check mechanical condition or transport for repairs, not to exceed seventy two (72) hours.
