Fiscal Year-End Deadlines

All agencies must clean up purchasing documents before year-end to properly reflect their procurement spend for FY 2019 by closing:

- Unwanted Purchase Orders (POs)
- Held and Blocked POs
- Prior year Purchase Requisitions (PRs)
- Held PRs
- Open Funds Reservations
- PO lines with discontinued account assignments
• AASIS Service Center (ASC) will carry forward open commitments with sufficient budget and/or appropriation to cover the commitment

**NOTE:** POs and commitments carried forward into FY 2020 **must** pass a FY 2020 budget validation or they will be reversed and closed during Fiscal Year end processing
Exclusions from carry forward:

- No held or blocked POs will be carried forward to FY 2020.

- While they are 45 day eligible, no POs created prior to FY 2019 will be carried forward, even if line items were added in FY 2019.

- POs created in FY 2019 will be carried forward only if sufficient budget and/or appropriation exists in FY 2020 to support the entire document.
• Goods Receipt (MIGO) transaction must not be keyed unless goods or services have actually been received.

• An Invoice Receipt (MIRO) transaction must not be keyed unless invoice has actually been received.
Agency Responsibilities

• Clear by posting or deleting all parked, saved as complete, held or blocked documents and invoices prior to June 28, 2019.

• Any documents remaining in parked status on June 28, 2019 prior to the start of the final payment run will be deleted by DFA – Office of Accounting.
Agency Responsibilities

• GR/IR items should be reviewed. Any old items should be researched and processed to completion through an invoice receipt or through the reversal of receipts (if paid in another manner), etc. This activity should be completed early in June 2019.

• If you have done a Goods Receipt but paid via Direct Invoice, contact your CAFR liaison to do a separate transaction.

• Document this within your PO
POs with Assets

- PO’s with Assets will not carry forward if:

  - PO was created prior to current fiscal year and already carried forward once

  - Any line in PO includes dying fund or funds center

  - Any line in PO exceeds budget after all transfers exhausted

  - Only line on PO contains Asset for which GR entered then cancelled
POs with Assets

  - No line items exceed budget after all transfers exhausted
