October of 2019, Hertz and Arkansas signed an amendment to participate in the new nationwide contract. The new program provides amazing competitive benefits to the travelers.

- Hertz Daily/Weekly/Monthly Rates for both In State and Out of State were enhanced
- Hertz One Way Program is extremely better than the competitor
How to Access Rates

To access the specialized rates and benefits of the Arkansas contract, a discount number (CDP) is needed at time of booking. This is not a Direct Bill number.

• The State of Arkansas CDP - 68017

• Hertz recommends to have an individual Discount Code per Agency.
  – Key metrics easier to identify for individual departments with CDP’s during Quarterly/Annual Reporting. Please contract Nadika Perera or Jeff Greene for CDP request.

• There is no limit on how many discount numbers can be established.

A discount code can be embedded into a Direct Bill account or Hertz Gold Plus Rewards account.

The Hertz Gold Plus account is **not** needed to complete a rental. This is just another benefit for travelers.

Direct Bill Options

Hertz has the ability to create unique direct bill accounts for the State.

**Hertz offers two types of Direct Bill.**

1. **Guaranteed Charge Card:** a P-Card or Credit Card is on file and Hertz charges that form of payment after each individual rental is returned.

2. **Central Billing:** Monthly Statement provided to the Point of Contact of all of the previous month rentals. Payment submitted back to Hertz in a timely manner. ACH payment.

**Process to Get Direct Bill:**

- ➢ Request through Nadika or Jeff an application for either option.

- ➢ After application has been approved, Hertz will create a unique billing number for rental purposes.

- ➢ Cheat Sheet on how to reserve a vehicle using your new direct bill # will be provided.

- ➢ Moving forward that Billing Number will be the only thing needed during the reservation process. The discount number will be embedded into that billing profile.
How To Make A Direct Bill Reservation

To Get Started:
You will need the Applicant billing number, travel details, vehicle type requested and traveler’s name.

There are 2 options to book a direct bill rental. Telephone Reservation or Online Reservation.

Telephone Reservations:
- Toll-Free # 1-877-760-5042
- Indicate to Hertz Representative that this will be a direct bill rental.
- Have all key details ready to go.
- Email confirmation will be sent out immediately.

The traveler listed on the reservation will need to have a valid license and some type of business card or ID at time of pickup.
How To Make A Direct Bill Reservation

Online Reservation:
• First thing before entering the rental details, go to the bottom of the home page select Applicant Program
