ARKANSAS BUDGET SYSTEM AGENCY PROGRAM COMMENTARY 1999 - 2001

Revenues

Since its inception in August, 1987, monies of the Children's Trust Fund have accrued from a \$5.00 fee imposed on all marriage licenses in the state and from interest gained as these fees are invested through the State Treasurer's Office. Act 174 of 1993 amended the original law by changing the fee from \$5.00 to \$10.00. The Board began collecting the new, \$10.00 fee in August of 1993.

In F.Y. 1999-2000 the projected accrual from license fees is \$405,000 and projected interest accrual is \$50,000. Total revenue for F.Y. 1999-2000 is projected at \$455,000.

In F.Y. 2000-2001 the projected accrual from license fees is \$405,000 and projected interest accrual is \$50,000. Total revenue for F.Y. 2000-2001 is projected at \$455,000.

Expenses

In keeping with the disbursement percentages as required in Act 340 of 1991, (20% remaining in Trust, 20% on administration and 60% available for Grants or Loans) the Board has budgeted expenses for the 1999-2000 F.Y. as follows:

Maintenance and General Operations	\$ 8,000
Grants or Loans	\$273,000
Professional Fees and Services	\$ 83,000
Total Expenses	\$364,000
\$91,000 of 1999-2000 revenues would rer	main in Trust.

Expenses for the 2000-2001 F.Y. are budgeted as follows:

Maintenance and General Operations	\$ 8,000
Grants or Loans	\$273,000
Professional Fees and Services	\$ 83,000
Total Expenses	\$364,000
\$91,000 of 2000-2001 revenues would ren	nain in Trust

AGENCY PROGRAM COMMENTARY 1999 - 2001

Explanation of Line Items For Appropriation 152

Professional Fees and Services - The FY 2000 Base Level for appropriation 152 is \$83,000 and will pay for a Professional Services contract through which the Board will receive one full time staff person and one part-time staff person (two-thirds time) plus reimbursable expenses for grants management and technical assistance to communities interested in developing prevention programs. As the number of grants awarded by the Board has grown, the administrative services needed to monitor and assist the grantees have also grown. This contract allows the Board to provide sufficient monitoring and accountability of its grantees.

Grants and Loans - The FY 2000 Base Level for appropriation 152 is \$273,000 and will enable the Board to fund grants averaging \$18,200 to 15 different counties.

Maintenance and Operations - The FY 2000 Base Level for appropriation 152 is \$8,000. These funds are used to reimburse Board members for travel expenses associated with Board meetings and to cover general operating expenses such as postage, letterhead stationary and consumable office supplies.

Federal Funds

The State Child Abuse and Neglect Prevention Board is eligible to receive funds on an annual basis from the Children's Bureau of the Department of Health and Human Services. The federal appropriation for this grant program has been increasing over the last few years and therefore the Board's grant award has also increased over the years. Although the details have changed from year to year, the main purpose of the grant program is to establish a network of family support programs across the state. The Board accomplishes this goal by using the majority of our award to make grants to community-based family support programs. In addition, the Board is sponsoring the establishment of a statewide task force on parenting education to help improve quality, quantity and accessibility to parent education programs. The Board projects if will have \$471,905 from the federal grant.

ARKANSAS BUDGET SYSTEM ANALYSIS OF BUDGET REQUEST 1999 - 2001

The Child Abuse and Neglect Prevention Board administers the Arkansas Children's Trust Fund created by Act 397 of 1987 which provides funds for programs to prevent child abuse and neglect. The Children's Trust Fund is supported by a \$10 surcharge on the sale of marriage licenses and interest income pursuant to Arkansas Code Annotated § 9-30-101 et. seq. Currently the Board contracts with Arkansas Child Abuse Prevention, a local non-profit organization to carry out the functions and directions of the Board. This includes fiscal activities of the Board, with a primary emphasis on the technical assistance, program monitoring and financial oversight of the grantees receiving funding from the Children's Trust Fund. Between 18 and 25 grants are awarded to local organizations and individuals each year for programs designed to prevent child abuse and neglect.

The only Change to Base Level reflects the restoration of Grant appropriation to the current authorized level. The biennial budget request is based on projected revenues, as restricted by statute requiring no more than 80% of funds received annually can be disbursed, with 60% to be used for Grants, and no more than 20% to be used for administration.

The Executive Recommendation provides for the Agency Request.

ARKANSAS BUDGET SYSTEM ANALYSIS OF BUDGET REQUEST 1999 - 2001

This appropriation is federally funded through the U. S. Department of Health and Human Services, and is utilized for operational costs and grants to local communities for the development or operation of child abuse prevention programs. The Board had to utilize the Miscellaneous Federal Grant process authorization during the current biennium to accommodate an increased federal grant award. Changes to Base Level are requested to continue to provide for this program in the event federal funds continue to be available for child abuse and prevention activities.

Operating Expenses are requested to sponsor a statewide conference for Parent Educators, to purchase copies of the Child Abuse Potential for use by grantees, and travel costs to attend national meetings. Professional Fees have been increased in order to develop a statewide Task Force on Parenting Education, and the Grants line item has been increased in order to provide additional or increased awards to child abuse prevention programs across Arkansas.

The Executive Recommendation provides for the Agency Request.
