## **Analysis of Budget Request**

**Appropriation:** 675 - Beef Council-Operations

**Funding Sources:** SBC - Arkansas Beef Council Fund

The purpose of the Arkansas Beef Council is to coordinate and implement a program of promotion, research and market development to enhance the image of beef and to improve the potential of Arkansas' cattle industry.

This appropriation is funded entirely by Special Revenues consisting of a federally established assessment rate of \$1.00 per head of cattle sold in the state. Half of the amount collected is forwarded to the national Beef Promotion and Research Board for consumer and industry information programs, advertising and research programs, and beef-related promotion. The remaining half of all fees received is retained by the Arkansas Beef Council to fund state-based programs which complement and extend the industry-wide effort. Research and Development spending is proportionate to revenues collected.

The Board is requesting to continue appropriation in the amount of \$1,067,076 for each year of the biennium.

The Agency Request includes the following changes in each year:

- Reallocation of \$5,000 from Conference and Travel to Operating Expenses as the board anticipates an increase in board member travel.

The Executive Recommendation provides for the Agency Request.
