Composite Estimated Tax Declaration Vouchers and Instructions for Tax Year 2024

WHO MUST FILE A DECLARATION OF ESTIMATED TAX (Voucher 1)

Every taxpayer subject to the Income Tax Act of 1987, as amended, must file with the Department of Finance and Administration a Declaration of Estimated Tax (Voucher 1) for the income year if the taxpayer can reasonably expect their estimated tax to be more than one thousand dollars (\$1,000).

Exception: Composite return filers whose income from farming for the income year can reasonably be expected to amount to at least two thirds (2/3) of the total gross income from all sources for the income year may file a declaration and pay the estimated tax on or before the fifteenth (15th) day of the second (2nd) month after the close of the income year. Instead of filing a declaration, you may file an income tax return and pay the full amount of tax on or before the fifteenth (15th) day of the third (3rd) month after the close of the income year.

WHEN TO FILE YOUR DECLARATION OF ESTIMATED TAX (Voucher 1)

1. Calendar year 2024 filers must file their Declaration of Estimated Tax on or before April 15th of the income year.
2. Fiscal year filers must file their Declaration of Estimated Tax on or before the fifteenth (15th) day of the fourth (4th) month of the income year with the subsequent payments being made on a quarterly installment basis (See table on Vouchers 2, 3, and 4).

IMPORTANT NOTICE

If the due date of a voucher falls on a Saturday, Sunday, or legal holiday, the payment will be considered timely filed if it is postmarked on the next succeeding business day.

HOW TO COMPLETE DECLARATION AND VOUCHERS

1. Fill out the Estimated Tax Worksheet to figure your estimated tax for 2024. Consider all available facts that will affect items during the year. It may be helpful to use last year's tax return as a starting point, making adjustments for 2024.
2. Enter one-fourth (1/4) of Line 4 of the worksheet on "Amount of This Payment" space of voucher. Round payment to nearest whole dollar.
3. If previously requested on AR1000CR, the overpayment from 2023 will be credited to your estimated tax for 2024.
4. Attach to the voucher your check or money order payable to the Department of Finance and Administration.

Be sure to write your Federal Employer Identification Number on your check or money order.
