

## Instructions for Completion and Filing of Extension Request FORM AR1155

**Extension of Time to File Clarified (Act 369 of 2007):** This Act provides for an extension of time up to 180 days to file certain tax returns. The Act amends ACA 26-18-505(a)(3) to change the maximum extension for filing any return from 120 days to 180 days. The Act amends ACA 26-51-807(c) to allow a maximum extension of 60 days if a corporation has a federal extension of 180 days. Effective for tax years on or after January 1, 2007.

### NOTE:

An Arkansas Corporation income tax return filed after the original due date of the 15<sup>th</sup> day of the 4<sup>th</sup> month after the close of the tax year will be assessed interest and failure to file and or failure to pay penalty from the original return due date until the date the return is filed and the tax is paid. This will include the assessment of interest and penalty on a return filed on a federal or Arkansas extension, if the tax due as reflected on the return is not paid on or before the original Arkansas return due date. Therefore, to avoid interest and penalty, any tax due reflected on the return must be paid on or before the 15<sup>th</sup> day of the 4<sup>th</sup> month after the close of the tax year. An exempt organization that is required to file a return shall file its return on or before the expiration of four and one-half (4 1/2) months after the close of the tax year (May 15<sup>th</sup> if filing on a calendar basis).

### FILING

**Please note that all federal extensions will be honored as valid state extensions. If you have filed for and received a Federal Extension of time to file, it is not necessary to complete an Arkansas Extension Request (Form AR1155) unless you want an Arkansas Extension beyond the Federal Extended due date.**

**Inability to pay is not a valid reason to request an Arkansas Extension.**

Interest and/or Failure to Pay Penalty will be due if any tax due is not paid by the original due date; April 15<sup>th</sup> for calendar year corporate filers.

The date of the postmark stamped by the U.S. Postal Service is the date you filed your return or request for extension.

### COMPLETION OF FORM AR1155

Please use the latest Revision of the AR1155 form that reflects changes made in 2023. No other version of the form will be accepted.
