

## QUALIFYING AFFIDAVIT FOR A FARM OR NATURAL RESOURCES LICENSE PLATE

Vehicles registered with Farm or Natural Resources must not be used for hauling products other than those listed below. Check the box(es) below opposite the use(s) for which the vehicle described herein will be used:

- F Prefix** - Noncommercial hauling of farm products produced in this state.
- F Prefix** - Hauling feed, seed, fertilizer, or other products commonly produced or used in agricultural operations.
- F Prefix** - Hauling animal feed for consumption in this state by livestock or poultry owned by me.
- NR Prefix** - Hauling of unfinished and unprocessed forest products, or clay minerals or ores originating in Arkansas, from the point of severance to a point in the state at which they first undergo any processing, preparation for processing, conversion, or transformation from their natural or severed state. **Note: Rock or stone or crushed rock or stone is not a clay mineral or ore under this classification unless they are being hauled for further processing into a finished or semi-finished product other than crushed rock or crushed stone.**
- NR Prefix** - Hauling wood waste, wood chips, or wood dust from a mill or a temporary location to a destination for further processing.
- F Prefix** - Transporting cottonseed from the gin or warehouse to the first point of sale.
- F Prefix** - For transporting compacted seed cotton by a vehicle operated separately, or in combination with other vehicles, which have a total outside width in excess of one hundred and two inches (102") but not exceeding one hundred and eight inches (108"). **Note:** The registration for vehicles used for this purpose will reflect the portion of the fee declared to be a permit fee.
- Mini Truck Farm Use Only – F Prefix** – Must comply with the definition of “Mini-truck” which means a motor vehicle that is at least forty-eight inches (48”) in width; Not more than one hundred thirty-five inches in length including the bumper; At least one thousand five hundred pounds(1,500 lbs.) in unladen weight including fuel and fluids;

Equipped with; Four (4) or more low pressure tires or pneumatic rubber tires that are used on motor vehicles; a steering wheel; seating for at least two (2) people to sit side-by-side in the front seating area; a fully-enclosed metal or metal-reinforced cab with glass and mirrors and complies with § 27-37-301 — 27-37-305 regarding safety glass and mirrors; metal doors with functioning handle locks that are similar to the handle locks on motor vehicles; head lamps as required under § 27-36-209; tail lamps as required under § 27-36-215; signal lamps as provided under § 27-36-26 216; a working horn as required under § 27-37-28 202(a); seat belts as provided under §§ 27-37-701 30 et seq.; and front and rear bumpers. A mini-truck may be equipped with a bed or cargo box for hauling materials.

**Restrictions for Mini Trucks:** A mini-truck shall not be operated on an interstate highway. A mini-truck shall not be operated on a road or highway if the operation of mini-trucks is prohibited; if the road is a controlled-access highway; the posted speed limit is more than fifty-five (55) miles per hour; or the mini-truck cannot maintain a speed equal to the posted speed limit.

I, the undersigned, hereby certify that I am familiar with the purposes for which farm or natural resources licenses may be used under Arkansas Statutes, and that I will not use this vehicle for which I am making application for any purpose not authorized under this classification.

**Truck License Number:**

**Trailer License Number:**
