GENERAL INFORMATION

Every licensed distributor shall on or before 25th day of each calendar month, file with the Commissioner of Revenue a report accounting for all motor fuels handled during the preceding month. Even when an account has NO Activity. Any report received, timestamped after the 25th, or any EFT payment made after the EFT due date will be considered delinquent and applicable penalties and/or interest will be assessed. Please note all original and amended returns must be submitted electronically. All original payments must be submitted by electronic funds transfer (EFT).

All supporting schedules must contain detailed information for each line and column. Supporting schedules are not required to be filed with no activity reports.

Arkansas Tax Code Annotated 26-18-506(b) requires every distributor/supplier to keep for a period of six years: records, books and original documents showing all purchases, receipts, losses, sales distribution and use of motor fuels. These records are subject to examination by the Director or his Agents at any reasonable time.
