Request For Child Support Services

CHILD SUPPORT SERVICES

The Arkansas Office of Child Support Enforcement (OCSE) is a division within the Department of Finance and Administration. OCSE works in partnership with the Federal Office of Child Support Services, other Arkansas state agencies, and, if necessary, other states, tribes, or countries. The primary goal of OCSE is to work with custodial parties to help establish and receive court-ordered financial and medical support. We provide full services to parents and guardians who have an open enforcement case with us. This booklet is for custodial parties who are requesting to receive child support services.

Services are available to you if:

- You are the parent, legal guardian, or caretaker of a child under 18 years of age who lives with you.
- Unpaid child support is owed to you, the child is over the age of 18, and the amount to be recovered is based on a court order. If the child is over age 23 and a judgment has not been entered setting out the total amount of unpaid support owed, enforcement may be limited based on the circumstances of the case.

OCSE provides the following services:

- Locate a noncustodial parent for the purpose of providing services
- Establish paternity for a child
- Establish an order for financial and medical support
- Enforce orders for financial and medical support
- Collect child support payments
- Modify a current child support order

OCSE does not have the authority to assist with custody or visitation issues.

YOUR PRIVACY AND SAFETY CONCERNS

Your privacy is protected by state and federal laws and regulations. OCSE will not give information about you to the noncustodial parent or other people without your permission except as permitted or as required by law. We may, as required by state or federal law, provide information about your case to other agencies, such as welfare agencies or child support agencies in other states.

OCSE acknowledges that the child support process may cause concerns for those who have experienced domestic violence with the other parent. OCSE takes the safety of our customers seriously. If you have concerns about safety in regard to the other parent, please indicate as such in the questionnaire section of this booklet. You may be asked to provide copies of any orders of protection or other information about the situation. OCSE will provide extra protection to information about your whereabouts. You can update information about safety at any time during the life of your case.

WHAT TO EXPECT

Once you submit your request for services and a case is opened, you'll receive a letter with your case number and the name of your caseworker. Depending on the information and documentation you provide, you may be asked for more information. OCSE will then determine what services are required:

- If you don't have a court order, we'll establish one.
- If you and the other parent weren't married when the child was born, OCSE will first establish paternity (legal fatherhood).
- If you already have a court order for child support, OCSE will begin enforcing the order.

Child support - The Arkansas Supreme Court has established guidelines for setting support obligation. The amount of support due will be set by a court according to those guidelines.

Medical support - Federal regulations require OCSE to establish and/or enforce medical support for children receiving child support services. OCSE must establish an order addressing the health care needs of the children. Either parent may be ordered to provide medical support. If you currently have medical coverage from any source for your child and wish to continue to be the party providing this coverage, please indicate your preference in the Medical Support section of the questionnaire in this booklet.

Once a court order is established, if the other parent is not providing support as he or she should, OCSE will choose the most effective enforcement method. Those methods may include any of the following:

- Suspend a driver's, occupational, business, or technical license
- Suspend a hunting or fishing license
- Intercept a tax refund
- Report the debt to credit bureaus
- Garnish or freeze bank accounts or other assets
- Notify an employer of the obligated parent to enroll the child in a health plan
- Place a hold on the issuance and reissuance of a passport
- Use other legal actions and collection remedies

Arkansas state law provides that interest accrues at the rate of 10% per year. If your child support order is from another state, that state's laws apply. Interest may be collected if it is reduced to a judgment by the court. You, the custodial party, may obtain at your own expense a certified public accountant or other reliable financial source to calculate the total amount of interest owed. When appropriate, OCSE will attempt to reduce the amount to a judgment. If the amount is reduced to a judgment by the court, OCSE will enforce the judgment amount as child support debt owed.

There may be actions OCSE can't take at a certain time, or not at all. Ultimately, the court makes many of the decisions. This table describes what you might expect depending on the circumstances of your case.

Your Involvement Is Critical - You may be asked to update information from time to time, attend a court hearing, or contact our office. Your participation in your case is an important factor in the success of collecting child support. We may not be able to take further action if we aren't able to communicate with you or if we're unable to get the information we need in order to proceed in a legal action. OCSE will make every effort to work with you. If we're unable to get information needed or if we aren't able to communicate with you, we may close your case.

CHANGING AN ORDER

OCSE provides services that include changing an order if it's appropriate. You may request a review of your court order once every three years. If the amount of support ordered is different than the amount that should be paid according to the guidelines and there has been at least a 20% per month change in gross income, OCSE will initiate necessary legal action to change the court order. The support amount may go up, go down, or stay the same. Every time an order is changed, the medical coverage needs of the children will be addressed.

A request for a review sooner than three years of the last court order may be requested if there have been changes in circumstances, according to OCSE policy, such as at least a 20% per month change in income. The burden of proof is on the customer asking for the review. Contact your local child support office for more information.

LEGAL REPRESENTATION

OCSE attorneys do not represent either party, but rather the state's interest in seeing that children receive the support to which they are entitled. For child support issues, you are not required to hire a private attorney, but you may choose to do so. If the noncustodial parent files a claim for custody or visitation with the child, the OCSE attorney cannot assist you, and you are encouraged to hire your own attorney. OCSE will work with your attorney. You or your attorney must contact us before taking any action that may affect your case. You or your attorney must give us copies of any documents or court orders that affect your child support case. The noncustodial parent may also hire an attorney. Inform us immediately if you get letters or documents from the noncustodial parent or his or her attorney.

CUSTOMER SERVICE

MyCase is a customer service portal for customers of OCSE. Once you have a case number assigned to you, go to www.ark.org/mycase and create an account. You'll be able to communicate with your caseworker through MyCase, as well as being able to view payments, check the status of your case, update contact information, and more.

You can also call the local office assigned to your case. While you will have a caseworker assigned to your case, other personnel in the local office will be able to assist you. Go to our website at www.childsupport.arkansas.gov and click OCSE Locations for local office contact information.

As with any business, issues may come up which are difficult to resolve. If your local office is unable to answer your questions or concerns to your satisfaction, you may request an administrative review of your case. An office manager will conduct a review. You will be asked to submit your concern in writing. You may send a letter, email, or use the Administrative Review Request form available for your convenience in each office, as well as on the OCSE website. An office manager will review your case thoroughly and provide a written response detailing his or her findings and any necessary action that will be taken to address your concerns. That written response will be mailed or emailed to you within 10 days of receipt of your request.

PROCESSING CHILD SUPPORT PAYMENTS

The noncustodial parent or his or her employer must send all child support payments to the Arkansas Child Support Clearinghouse.

Some noncustodial parents owe support to more than one household. When these parents do not make a full payment, each household receives an amount equal to its percentage share of the total owed if the payments were received through income withholding.

While OCSE makes every effort to correctly post and apply payments to your case, situations do occur that can result in money being sent to you that you are not entitled to keep. If you receive money that you are not entitled to keep or the IRS takes back a tax refund paid on your case, you will be notified as soon as OCSE knows of the problem. If an overpayment occurs in your case, OCSE will outline repayment options that you may choose so that you can return the money in a way that is easiest for you and your particular situation. Those options may include returning the payment in full or permitting OCSE to recover the payment by withholding a portion of the child support payments received in your case until the money is paid back. The child support services that you receive will not be affected by your choice regarding any requested repayment. In all cases, Arkansas law requires OCSE to take all appropriate actions necessary to recover the money. If you fail to make arrangements to return the money that you are not entitled to keep, OCSE may take legal action against you.

If You Have Never Received TEA Benefits: Collections will be disbursed within two business days of their receipt by the Clearinghouse. The amount of support due and collected in the month plus any past due support collected will be paid to you, minus any fees or costs charged to you for child support services. Payments collected in excess of what is owed to you will be distributed to any debt owed to the state, such as court costs or administrative fees owed by the noncustodial parent, or if no such fees are owed, will be counted as payments toward future months' support obligation and sent to you.

If You Have Received TEA Benefits in the Past: If you received TEA in the past, any child support due but not paid during the period in which you received those benefits is owed to the state and is sometimes referred to as "assigned arrears." Payments collected from most sources will be paid to you for any current support or past due support owed to you. If payments are received from an interception of the noncustodial parent's federal tax refund, the payments will be applied to the assigned arrears until all such arrears have been paid in full.

RECEIVING YOUR CHILD SUPPORT PAYMENTS

Payments are normally sent by electronic means to a prepaid debit card issued to you or by direct deposit to a bank account. Once your case is opened, you'll receive a letter with more detail about your options for receiving payments. Information about the methods for receiving payments can also be found at www.childsupport.arkansas.gov; click "Making and Receiving Payments," and then go to "Receiving Payments."

Information about payments made to you can be found on your MyCase account. You may also call our automated line at 1-800-264-2445. The automated line is available 24 hours a day, 7 days a week. You will need to provide your case number, which will be provided to you by mail once your case has been opened.

Please note: If you receive payments directly from the noncustodial parent, in order for him or her to receive credit for those payments, you will need to send those payments to the Arkansas Child Support Clearinghouse. That child support payment will be recorded and then sent to you.

The Arkansas State Claims Commission - The Claims Commission does not have any information concerning your child support case and can only address issues dealing with a payment that was actually received by the Arkansas Child Support Clearinghouse and that you claim was mishandled in the way it was received, processed, or sent out to you. The Arkansas State Claims Commission cannot address any other aspect of your child support case. If you believe a mistake, which has not been resolved by OCSE, has occurred dealing solely with the way the Arkansas Child Support Clearinghouse has received, handled, or sent to you a child support payment, you may file a claim for the amount you believe you have lost with the Arkansas State Claims Commission. You may submit a claim online or by paper form. For more information, go to the Arkansas State Claims Commission website at arclaimscommission.arkansas.gov.

COST OF CHILD SUPPORT SERVICES

If you choose to receive child support services, you will be charged fees for those services, unless you receive certain types of public assistance. The amounts charged help to partially defray the cost to the State of Arkansas and to the taxpayers of providing those services to you. Fee information is also located at www.childsupport.arkansas.gov; go to “General Information” and then “Costs and Fees.”

Fees and costs for services are withheld from any support collected on your behalf at a rate of 13% of any payment received until the fees and costs are paid. You may view the fees assessed, balance remaining, and make a separate payment, if you choose, through your MyCase account. You will receive an annual notice which gives more detail of what you may owe.

If you have any questions about fees charged for child support services, please call your local child support office.

OCSE COST SCHEDULE

Application fee per noncustodial parent – \$25.00. The application fee is a flat fee that must be paid by the applicant at the time the application for services is submitted. This fee is required unless you or the child for whom you are seeking services is receiving certain forms of public assistance, including Medicaid ARKids 1st A or B or ARHOME. **NOTE: Cash is not an accepted form of payment.**

Monthly Base Cost – 13% of a total month’s collection not to exceed a maximum of \$18.00. Includes overhead costs and activities other than legal services. The fee is only assessed if there was a payment received in the previous month.

In addition to the monthly Base Cost, other costs you could incur are as follows.

LEGAL ACTION

If the court orders the noncustodial parent to pay court costs and attorney fees, or for the cost of paternity testing, OCSE will take action to collect those costs and fees and reimburse you for any amounts you have paid under your contract with OCSE.

- Initiation of Legal Action - \$80.00. Assessed when a complaint, motion or petition with summons, order and citation, affidavit and arrest warrant, notice/order of hearing, or other legal document is prepared and forwarded to the clerk for processing in all cases (child support, paternity, interstate, criminal nonsupport, and contempt).
- Out-of-Court Settlement - \$100.00. Assessed when the initiated court action is resolved prior to court appearance in all cases.
- In-Court Settlement - \$150.00. Assessed when the initiated court action is resolved at the court appearance without trial.
- Trial - \$250.00. Assessed when the initiated court action is resolved by the court after a hearing is held.

OTHER

- Actual costs will be assessed, based on actual costs incurred by the agency for transcripts of trials or depositions, service of process fees, the cost of any paternity test, filing fees, all other court costs, and the federal offset program fees.
- Financial Institution Levy Fee - \$35.00. This fee will be charged for each levy which results in a monetary recovery from a participating financial institution or a levy against an insurance claim.
- Insurance Claim Levy Fee - \$35.00. This fee will be charged for each levy that results in a monetary recovery from an insurance claim.

YOU MAY CLOSE YOUR CHILD SUPPORT ENFORCEMENT CASE

If you no longer want to receive child support enforcement services, you may request that we close your case. Request that a “Request to Close Case” form be sent to you, or you may request case closure in writing. When we receive your request, we will no longer enforce your court order. Your case will remain open with the Arkansas Child Support Clearinghouse as a “payment processing case” so that any payments that may be received will be disbursed to you. Closing your case only means OCSE will no longer have any authority to take any enforcement action on your case. Your court order will remain in effect.

If your case is pending legal action at the time you request case closure, there may be a delay in closing the case until legal matters can be resolved.

If you owe fees and costs for the services provided to you in the past, you will be responsible for the payment of that debt and will receive a separate letter advising you of the balance owed and the options available for paying the amount owed. If you close your enforcement case and have received cash assistance, such as TEA, in the past, OCSE will continue to intercept federal income tax refunds owed to the noncustodial parent to repay any unreimbursed grant due to the state that was due but not paid during the time you received assistance.

IF YOU RECEIVE PUBLIC ASSISTANCE

If you currently or in the future receive TEA cash benefits, SNAP, or Medicaid, including ARHOME, or your child receives ARKids 1st A or B, you may be required to cooperate with child support services as a condition of receiving those benefits. You will not be charged for child support services but may be required to keep your case open as long as you receive benefits.

The Arkansas Department of Human Services will notify OCSE when you start or stop receiving those benefits. OCSE will communicate with you when that happens and explain how your child support services will be affected and options you may choose.

Once you are no longer receiving benefits, your child support case will remain open, and you will again be charged for child support services.

PROCESSING YOUR ENROLLMENT FORM FOR CHILD SUPPORT SERVICES

Please complete and return the questionnaire included in this booklet, as well as the Application and Contract for Child Support Services. If you receive Medicaid services for yourself, complete the questionnaire, but do not sign the Application and Contract for Child Support Services.

To enroll online, go to **www.childsupport.arkansas.gov** and click the Apply for Support button.

Mail or take the required forms to your local child support office or mail it to OCSE, P.O. Box 8133, Little Rock, AR 72203. The original signed forms will be retained in your file. Please keep a copy for your records. Also include copies of the original child support order, if there is one. If the original order has been modified (changed) one or more times, include copies of the modified orders.

If payments have been made to you through another state or through the clerk of court, include a copy of the child support payment records. You can get payment records from the clerk of court in the county and state where the order was filed or from the child support clearinghouse where you were receiving support. Include a statement, signed by you, listing all payments you received directly from the noncustodial parent or potential father.

Please provide a copy of the child's birth certificate. If an Acknowledgment of Paternity was signed, please provide that form. Copies of these forms are available at the Vital Records agency in the state where the child was born.

The disclosure of your Social Security number is mandated by Public Law 104-193 in order that the Office of Child Support Enforcement may provide services related to the establishment of paternity and the establishment, modification, and enforcement of child support obligations.

The information contained in this booklet and much more can be found on our website at **www.childsupport.arkansas.gov**.

***** NOTICE *****

APPLICATION AND CONTRACT FOR CHILD SUPPORT SERVICES

****NOTE: This Application and Contract for Services must be signed and included with the Questionnaire. EXCEPTION: If you, the custodial party, are a recipient of Medicaid (including ARHOME) submit the Questionnaire, but you are not required to sign this Application and Contract for Services.****

The applicant agrees:

1. Authorizes the agency to assign legal counsel of its choice to act on behalf of the agency and applicant's assigned interest, and be the attorney of record for the agency to establish paternity and/or a monthly support obligation, and to enforce payment of such obligation. The attorney does not represent the applicant. There is no attorney/client relationship created between the applicant and the attorney.
2. Understands that the OCSE attorney represents the State's interest in having children adequately supported and in collecting overdue support. The applicant retains the right to employ separate private counsel.
3. Agrees that the agency shall have the right to collect from the noncustodial party both current and past due support payments in the amount provided by the support order.
4. Agrees that the agency, rather than the applicant, shall have any and all rights, title and interest in any and all property belonging to the noncustodial parent against which a claim may be placed for the collection of child/spousal support.
5. Agrees to forward to OCSE any and all support payments which he or she receives directly from the noncustodial parent after the date of acceptance of this Application and Contract.
6. Agrees to notify OCSE of any changes in the applicant's address.
7. Agrees to notify OCSE of any Court action which may change or affect the support order.
8. Agrees to notify OCSE of changes to medical coverage, such as participation in ARKids 1st or Medicaid, including ARHOME.
9. Agrees that the agency retains all rights to enforce and collect child support arrearages and child support judgments in an amount equal to any unreimbursed Transitional Employment Assistance (TEA) grant which the applicant received prior to this Contract. Should this contract be canceled or terminated, the applicant understands and agrees that OCSE will continue to pursue the collection of TEA grant through IRS tax intercept until the debt owed to the State is satisfied.
10. Agrees to pay all costs and fees charged for child support enforcement services pursuant to the Cost Schedule except while participating in ARKids 1st A or B or if receiving public benefits such as TEA or Medicaid in the future. A copy of the cost schedule for services was provided to the applicant with this Application and Contract for Services and is incorporated herein by reference. The applicant understands costs and fees will be deducted from support collected at a rate not to exceed 13% of the total amount collected or the actual fees and costs due, whichever is less. The applicant understands that in interstate cases the responding state may charge additional costs. The applicant further understands that if enrollment in ARKids 1st A or B ceases, the applicant agrees to pay all costs and fees charged for child support enforcement services pursuant to the cost schedule that was provided to the applicant with this Application and Contract for Services but not previously imposed due to their participation in ARKids 1st.
11. Understands the agency will disburse support payments electronically to a prepaid debit card unless the applicant requests payment to be made by direct deposit or is granted an exemption.
12. Acknowledges that if situations occur where money is received to which the applicant is not entitled, the money must be returned voluntarily to OCSE, or, as required by Arkansas law, OCSE will take the appropriate actions necessary to recover that money. Any decision made regarding the method of recovery of the money will not preclude or affect child support services being provided to you by OCSE.

The agency:

1. Agrees to provide assistance in establishing a support obligation and paternity if needed, and/or collecting support on behalf of the applicant's minor children in such amount as is, or may be, provided for by a support order.
2. Agrees to assign legal counsel for establishment, collection and enforcement of child support (including paternity establishment), and medical insurance premiums. The agency undertakes no representation of the applicant on custody, visitation or any other legal issues.
3. Agrees that the applicant retains the right to hire private counsel to represent his/her interests in any issue.
4. Agrees to exercise reasonable effort to establish an obligation and to make collections of child support on behalf of the applicant's children and spousal support on behalf of applicant, if included in an existing child support order.
5. Agrees to post and disburse, within two business days of identification, amounts collected on behalf of the applicant less the deduction for costs as specified herein. EXCEPTION: Interceptions from bank accounts and insurance lump sums will be held for 10 days before disbursing. Federal tax disbursements may be delayed up to six months if the refund is subject to adjustment from the IRS.
