### **A.C.A. § 26-57-201**

#### **Citation**

This subchapter shall be known and may be cited as the “Arkansas Tobacco Products Tax Act of 1977.”

### **A.C.A. § 26-57-202**

#### **Legislative findings and purpose**

(a) It is recognized, found, and determined by the General Assembly that:

(1) The Arkansas Surgeon General has determined that the smoking of cigarettes is detrimental to the health of the smoker;

(2) The General Assembly had already recognized this hazard many years ago when it enacted § 5-27-227 regulating sales to minors, §§ 20-27-704 -- 20-27-709 regulating pricing, establishing a policy for public smoking, and this subchapter, to provide for close supervision and control of the sale of tobacco products, vapor products, alternative nicotine products, and e-liquid products;

(3) The state has a very valid governmental interest in preserving and promoting the public health and welfare of its citizens; and

(4) It is the responsibility of the General Assembly to enact legislation to protect and further this essential governmental interest.

(b) It is therefore the intent of this subchapter to:

(1) Provide for the close supervision and control of the permitting of persons to sell tobacco products, vapor products, alternative nicotine products, and e-liquid products in this state in order to assure that when these products are distributed in the state, they are fresh, not contaminated, and are properly taxed, stamped, stored, and distributed only to persons authorized to receive these products; and

(2) Impose permits, fees, taxes, and restrictions on the privilege of dealing in or otherwise doing business in tobacco products, vapor products, alternative nicotine products, and e-liquid products in order to promote the public health and welfare of the citizens of this state and to protect the revenue collection procedures incorporated within this subchapter.

(ii) The law enforcement agency, prosecuting attorney, or public entity has not properly accounted for the seized property; or

(iii) The prosecuting attorney has failed to comply with the notification requirement set forth in subdivision (m)(2) of this section.

(B) After the notice, the circuit court shall not issue an order distributing seized property to that law enforcement agency, prosecuting attorney, or public entity, nor shall a grant be awarded by the council to that law enforcement agency, prosecuting attorney, or public entity until:

(B)(i) If a timely answer has been filed, the prosecuting attorney has the burden of proving by a preponderance of the evidence that the seized property should be forfeited.

(ii) After the prosecuting attorney has presented proof, an owner or interest holder of the property seized is allowed to present evidence showing why the seized property should not be forfeited.

(iii) If the circuit court determines that grounds for forfeiting the seized property exist and that a defense to forfeiture has not been established by the owner or interest holder, the circuit court shall enter an order under this section. However, if the circuit court determines either that the prosecuting attorney has failed to establish that grounds for forfeiting the seized property exist or

that the owner or interest holder has established a defense to forfeiture, the court shall order that the seized property be immediately returned to the owner or interest holder.

(l)(1) If the circuit court having jurisdiction over the seized property finds upon a hearing by a preponderance of the evidence that grounds for a forfeiture exist under this subchapter, the circuit court shall enter an order:

(A) To permit the law enforcement agency or prosecuting attorney to retain the seized property for law enforcement or prosecutorial purposes, subject to the following provisions:

(i)(a) Seized property may not be retained for official use for more than three (3) years, unless the circuit court finds that the seized property has been used for law enforcement or prosecutorial purposes and authorizes continued use for those purposes on an annual basis.

(b) At the end of the retention period, the seized property shall be sold and eighty percent (80%) of the proceeds shall be deposited into the tobacco control fund of the retaining law enforcement agency or prosecuting attorney, and twenty percent (20%) of the proceeds shall be deposited into the State Treasury as special revenues to be credited to the Special State Assets Forfeiture Fund.

(c) The retaining law enforcement agency or prosecuting attorney may sell the retained seized property during the time allowed for retention. However, the proceeds of the sale shall be distributed as set forth in subdivision (l)(1)(A)(i)(b) of this section;

(ii) If the circuit court determines that retained seized property has been used for personal use or by non-law enforcement personnel for non-law enforcement purposes, the circuit court shall order the seized property to be sold under § 5-5-101(e) and (f), and the proceeds shall be deposited into the State Treasury as special revenues to be credited to the Special State Assets Forfeiture Fund;

(B) Moneys received from a federal forfeiture for a violation of this subchapter shall be deposited and distributed under this section.

(2)(A) The proceeds of a sale and moneys forfeited or obtained by judgment or settlement under this subchapter shall be deposited into the asset forfeiture fund of the prosecuting attorney and is subject to the following provisions:

(i) If, during a calendar year, the aggregate amount of moneys deposited into the asset forfeiture fund exceeds twenty thousand dollars (\$20,000) per county, the prosecuting attorney, within fourteen (14) days after that time, shall notify the circuit judges in the judicial district and the director;

(ii) Subsequent to the notification set forth in this section, twenty percent (20%) of the proceeds of an additional sale and additional moneys forfeited or obtained by judgment or settlement under this subchapter in the same calendar year shall be deposited into the State Treasury as special revenues to be credited to the Special State Assets Forfeiture Fund, and the remainder shall be deposited into the asset forfeiture fund of the prosecuting attorney;

(iii) Failure by the prosecuting attorney to comply with the notification requirement set forth in this section renders the prosecuting attorney and an entity eligible to receive forfeited moneys or property from the prosecuting attorney ineligible to receive forfeited moneys or property, except as provided in this section; and

(iv) Twenty percent (20%) of moneys in excess of twenty thousand dollars (\$20,000) that have been retained but not reported as required by this section are subject to recovery for deposit into the Special State Assets Forfeiture Fund.

  - (iv) Any balance over three hundred fifty thousand dollars (\$350,000) shall be forwarded to the director to be transferred to the State Treasury for deposit into the Special State Assets Forfeiture Fund for distribution under this section.
- (C)(i) For a forfeiture in an amount greater than three hundred fifty thousand dollars (\$350,000) from which expenses are paid for a proceeding for forfeiture and sale under this section, an itemized accounting of the expenses shall be delivered to the director within ten (10) calendar days after the distribution of the funds.
- (ii) The itemized accounting shall include the expenses paid, to whom paid, and for what purposes the expenses were paid.

(B) Notice of the action would jeopardize the availability of the property for forfeiture;

(2)(A) Notice of the entry of a temporary restraining order and an opportunity for hearing shall be afforded to a person known to have an interest in the property.

(B) The hearing shall be held at the earliest possible date consistent with Rule 65 of the Arkansas Rules of Civil Procedure and is limited to the issues of whether:

(i) There is a probability that the state will prevail on the issue of forfeiture and that failure to enter the temporary restraining order will result in the property's being destroyed, conveyed, alienated, encumbered, disposed of, received, removed from the jurisdiction of the circuit court, concealed, or otherwise made unavailable for forfeiture; and

(ii) The need to preserve the availability of property through the entry of the requested temporary restraining order outweighs the hardship on an owner or interest holder against whom the temporary restraining order is to be entered;

(3) The state has the burden of proof by a preponderance of the evidence to show that the defendant's property is subject to forfeiture;

(4)(A) On a determination of liability of a person for conduct giving rise to forfeiture under this section, the circuit court shall enter a judgment of forfeiture of the property subject to forfeiture as alleged in the complaint and may authorize the prosecuting attorney or a law enforcement officer to seize property subject to forfeiture under this section not previously seized or not then under seizure.

(B) The order of forfeiture shall be consistent with subsection (1) of this section.

(C) In connection with the judgment, on application of the state, the circuit court may enter an appropriate order to protect the interest of the state in property ordered forfeited; and

(o) The circuit court shall order the forfeiture of other property of a claimant or defendant up to the value of the claimant's or defendant's property found by the circuit court to be subject to forfeiture under this section if any of the forfeitable property had remained under the control or

custody of the claimant or defendant and:

- (1) Cannot be located;
  - (2) Was transferred or conveyed to, sold to, or deposited with a third party;
  - (3) Is beyond the jurisdiction of the circuit court;

##### **Export cigarettes--Sale**

(a) Findings and Purpose.

(1) Cigarette smoking presents serious public health concerns to the state and to the citizens of the state. The Surgeon General has determined that smoking causes lung cancer, heart disease, and other serious diseases and that there are hundreds of thousands of tobacco-related deaths in the United States each year. These diseases most often do not appear until many years after the person in question begins smoking.

(2) It is the policy of the state that consumers be adequately informed about the adverse health effects of cigarette smoking by including warning notices on each package of cigarettes.

(3) It is the intent of the General Assembly to align state law with federal laws, regulations, and policies relating to the manufacture, importation, and marketing of cigarettes, and in particular, the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. § 1331 et seq., and 26 U.S.C. § 5754.

(4) The General Assembly finds that consumers and retailers purchasing cigarettes are entitled to be fully informed about any adverse health effects of cigarette smoking by the inclusion of warning notices on each package of cigarettes and to be assured through appropriate enforcement measures that cigarettes they purchase were manufactured for consumption within the United States.

(b) Definitions. As used in this section:

(2) Any person who sells or holds for sale cigarette packages to which is affixed a tax stamp in violation of this section shall be subject to the penalties prescribed in subdivision (c)(5) of this section.

(3) The Arkansas Tobacco Control Board may revoke a wholesale or retail license of any person who sells or holds for sale cigarette packages to which is affixed a tax stamp in violation of this section.

(4) The Department of Finance and Administration or the Director of Arkansas Tobacco Control may seize and destroy or sell to the manufacturer only for export packages that do not comply with this section.

(5) A violation of this section is a deceptive act or practice and shall constitute a Class A misdemeanor.

(6) On or before the fifteenth business day of each month, each person licensed to affix the state tax stamp to cigarettes shall file with the Secretary of the Department of Finance and Administration for all cigarettes imported into the United States to which the person has affixed the tax stamp in the preceding month copies of the customs certificates with respect to the cigarettes required to be submitted by 19 U.S.C. § 1681a(c).
